School Overview

Granville State School is a school with a proud history and an exciting future. Since 1875, our school has provided outstanding opportunities for thousands of young Australians. Granville is a school which prides itself on offering the best possible social, academic, cultural and sporting opportunities for our students. We have a futures focus for our students, as we understand that when current students complete their schooling they will require the knowledge and flexible thinking which prepares them for the future with the skills to contribute to our everchanging society. Our school offers multiple opportunities for our students to reach their full potential. These include a commitment to ensure all students have high level numeracy and literacy skills and highly professional teachers with a commitment to quality learning. The Curriculum is designed to engage learners in real life experiences with specialist Intervention Programs that assist students needing support or extension with their learning. We have a strong commitment to providing a safe and supportive learning environment for our students. Granville State School is well placed to fulfil its purpose of achieving quality educational outcomes for all our students.

At Granville State School our vision is to have confident and achieving students, working with dynamic and nurturing staff, in a safe and happy community.

Principal's Foreword

Introduction

Welcome to the Granville State School Annual Report for 2017. This report is a celebration of the achievements of our students, staff and entire school community. As 2017 was a very successful year, I am very proud to present to you an overview of the wonderful accomplishments of our school. This document can be accessed on our school website: www.granvillss.eq.edu.au or in a hard copy version at the school office.

I hope you enjoy the contents of the report and if you have any queries please direct them in person to the office or via email to principal@granvillss.eq.edu.au

School Progress towards its goals in 2017

Improved Reading Results	<ul style="list-style-type: none">✚ Provided professional development to all staff to further enhance best practice reading pedagogy✚ Employed a reading coach to build capacity in staff in data analysis, planning and pedagogy associated with reading✚ Embedded a balanced reading program across all year levels✚ Implemented the "Daily Rapid Reading" and "Reading Links" program from Prep to Year 5✚ Moderated reading pedagogy and data across the cluster
Improved Numeracy Results	<ul style="list-style-type: none">✚ Built teacher capacity to recognise and remediate key misconceptions through NCR diagnostics/ Show Me Tasks✚ Identified and recruited school based mathematics cohort leaders to foster best practice mathematics pedagogy amongst staff
Attendance	<ul style="list-style-type: none">✚ Monitored both individual and class data sets to identify patterns of attendance✚ Recognised students with high attendance through celebration days✚ Proactively worked with families to ensure attendance levels were maximised

Future Outlook

Reading:

Reading will continue to be a key focus as it is essential to learning. The ability to read fluently and comprehend accurately will set our students up for success in all academic areas and indeed, life. To ensure this occurs we will:

- ✚ Implement focussed Professional Learning Communities on implementing a Balanced Reading Program (includes Gradual Release Model). Emphasise reading aloud to Students for enjoyment and literacy appreciation on a daily basis
- ✚ Provide opportunities for teachers to engage with observation and feedback processes to sharpen consistency of practice
- ✚ Use I4S funding to support teacher pedagogy in reading. Deliver reading programs and extra literacy support through the employment of additional teacher aide time
- ✚ Closely triangulate data and enhance teacher pedagogy to maximise the number of students receiving an A-C rating for English
- ✚ Purchase increased speech-language pathologist time for early intervention and development and delivery of speech-language programs
- ✚ Introduction of Peer Reading which is conducted every morning across all year levels

Numeracy:

- ✚ Seek support of Region for HOD-RS service to lead local school cluster focused on developing best practice mathematics pedagogy.
- ✚ Build teacher capacity to recognise and remediate key misconceptions through NCR Diagnostics/Show Me papers pre and post testing.
- ✚ Analyse data at an individual and cohort level to monitor performance and inform practice through teacher planning meetings

Social and Emotional Learning:

- ✚ Work within the cluster to deliver the “Reboot” social and emotional program to all staff
- ✚ Implement the “Reboot” program across the school to enhance student engagement and behaviour management
- ✚ Review the school’s Responsible Behaviour Plan for Students to ensure its relevance and effectiveness for our community

Early Years Program

- ✚ Provide a community early years hub where parents and their children can access quality play based learning transition activities, health care agencies and other outside agency support
- ✚ Conduct a playgroup and Pre Prep class on a weekly basis so students are best prepared for their transition into school life

Curriculum Delivery

Our Approach to Curriculum Delivery

- At Granville, we have an unrelenting focus on literacy and numeracy. All students engage in daily literacy and numeracy programs that are designed to provide students with a strong core understanding of concepts and skills that they will use to be successful in all areas of their learning. Teachers use a range of strategies to support students' learning including regular, extensive data analysis to pinpoint where each student is in their learning journey and subsequent planning to move them forward. The skills and knowledge of the intervention teachers are also utilized to ensure extension or consolidation of concepts is catered for.

Each teacher is supported in their classroom by quality teacher aides to ensure individual student needs are met.

- The National Curriculum is delivered in all years in the KLAs of English, Mathematics, Science and HASS. Our Prep students have timetabled support focused on oral language and vocabulary development. These programs focus on letter and sound recognition, vocabulary and sight words and phonemic awareness programs.
- Students in Years 4, 5 & 6 study Japanese once a week. Our Year 5 & 6 students also engage with the high schools for a range of experiences to ensure a smooth transition to secondary schooling.
- Our computer labs are well used and 2017 saw the school continue to use technology to enhance the delivery of the units of work being learnt. Interactive whiteboards are in every classroom to enhance curriculum delivery.
- Our Granville Guppies Pre-Prep program for students entering prep the following year continues to grow in numbers and reputation. Children attending this program are confident and resilient when they commence school and show great readiness for their first day at school.

Co-curricular Activities

In addition to our regular curriculum, students also have the opportunity to participate in the following programs:

- Dedicated art teacher to work with each class once/week
- Extension programs at MSHS to cater for Higher Order Thinking Skills
- Students are involved in a variety of excursions to support their classroom learning and to further broaden their life experiences
- Students in Year 3-6 are invited to be involved with the instrumental music program. These students are provided with weekly tuition from our instrumental music teachers for strings and band. Multiple opportunities are provided for these students to showcase their talents in a variety of performances throughout the year
- Teams of students compete in the Station Square Spelling Bee. Our school always performs to a high standard
- During Reconciliation Week our indigenous students invite a friend to attend a Maryborough Cluster celebration
- 2017 saw our students enter the Solar Boat Challenge as well as the Smiley Pushcart Challenge in the Maryborough HPV where they were very successful
- Our school leaders organize a number of parade items as well as school discos throughout the year
- Students in Years 5 and 6 are involved in inter-school sport
- Students are involved in both the Junior and Senior Reading Cup Challenges
- Year 6 Student Council organized two fund raising activities through the year which involved all students

How Information and Communication Technologies are used to Assist Learning

- The school has a number of iPads for student use and these are regularly booked out. With all classrooms having interactive whiteboards, teachers have the opportunity to engage students in an interactive manner
- ITC skills are integrated in units of work, planned by the teachers.
- A range of Apps have been purchased and are installed on iPads for groups of students to access. These apps are used across all Key Learning Areas.
- The school has two computer labs that are regularly used by each class to enhance their learning

Social Climate

Overview

- The school places a high priority on staff and student wellbeing and has processes in place to address individual needs
- All teachers are striving to create supportive and safe learning environments by building positive relationships with students and involving parents as important partners in their child's learning
- There has been a determined effort to maximize learning time through literacy and numeracy blocks and the reorganization of the specialist timetable
- Staff morale is high
- Each classroom has collaboratively developed their own classroom behavior plan that aligns to the school Responsible Behaviour Plan
- The school works closely with the Parents and Citizens' Association in the development of policies relating to student behaviour and the expectations in place for Granville State School
- Continued implementation of the Reboot program assists in maintaining consistent behavior expectations across the school and enhances the understanding of the related social skills with students from a wide range of backgrounds
- The explicit improvement agenda is used to promote to the community that the school is driven by the belief that every student is capable to successful learning in a safe and supportive environment
- Positive student behaviour is regularly publicly recognised on parades and in the newsletter
- A positive relationship exists with external agencies who when required can provide targeted assistance to our families

Parent and community engagement

Granville State School has a strong and productive relationship with the families of the school and the community in which we are located – both Granville and Maryborough. As a community we believe it is essential to ensure that these productive relationships are at the fore of decision making and that we are inclusive in how we approach and acknowledge community involvement.

A small but dedicated bank of parents and grandparents support the school on a daily basis in the classroom. Much larger groups of parents are involved in school events that are held as evidenced by the fete, the athletics days and the showcasing of student work.

The P&C meets regularly and is committed to be a body that represents the wider community. They are extremely supportive of the school, its direction and the achievements of our students and staff.

Within the community our school is held in very high regard. It is the centre of the Granville community. With this acknowledgement goes the responsibility to ensure we nurture and strive at all times to foster this very positive relationship.

Our focus for the next 12 months is to engage parents in the curriculum offered at the school and the strategies that parents can use to support our students. Facebook will continue to be a medium by which we will continue to communicate with our community.

Respectful relationships programs

The school has developed and implemented programs that focus on appropriate, respectful and healthy relationships. The school actively develops students' knowledge and skills to be able to resolve conflict without violence and to recognise, react and report when they, or others, are unsafe. This knowledge is embedded in the curriculum from Prep through to Year 6.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2015	2016	2017
Short Suspensions – 1 to 10 days	35	29	32
Long Suspensions – 11 to 20 days	1	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

Environmental Footprint

Reducing the school's environmental footprint

We have a large campus and we are always implementing new ideas to reduce our environmental footprint. Students are exposed to programs that promote being water wise, recycling and minimizing the use of electricity.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2014-2015	121,274	1,080
2015-2016		

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2016-2017	20,196	2,481

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Student Attendance Distribution

The proportions of students by attendance range:

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Granville parents are reminded regularly through the school newsletter, parades and Facebook page about the link between student learning outcomes and attendance. Attendance data trends are spoken about regularly on parade and published in the school newsletter.

School attendance rolls are marked electronically using One School. Rolls are marked twice daily by the classroom teacher.

Where teachers notice absence patterns emerging, contact is made with the parent to determine any particular reason or concern. If further support is needed, the absenteeism is referred to the Administration team or the Guidance Officer.

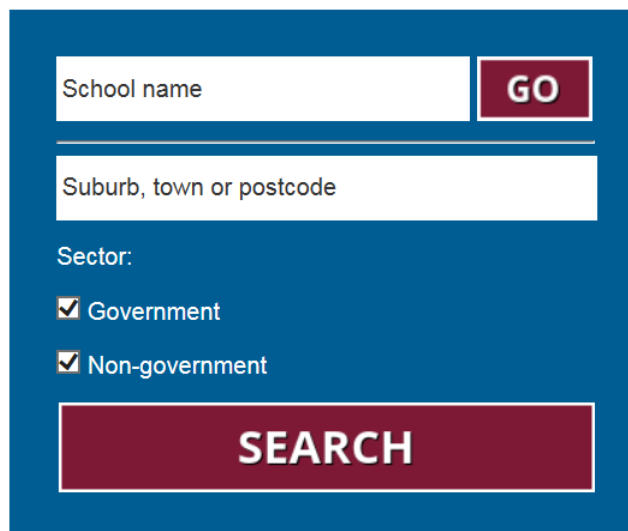

Granville State School uses a same day absence notification system where an SMS is sent to the parents of any student who has an unexplained absence. Formal absence letters are sent to parents as the need arises and if proactive strategies have not been successful in reducing absenteeism. Home visits are also undertaken in an effort to build strong relationships with parents to help develop effective strategies to reduce school refusal.
